

PLAN NO. 4 – FRISCO RAILROAD

The interchange track connects this railroad with the rest of the world

MTH no. 30-9028 pumping station

Lionel makes many loaders, and the oil drum loader is perfect for our theme

Lionel no. 3656 operating stockyard

Lionel no. 455 oil derrick & pumper

Two oil wells may be twice as much fun as one, but there is room for a few more. Three or four can make quite an impressive oil field

Lionel no. 22997 oil drum loader
