Volume 80 • January-December 2013

© 2014 Kalmbach Publishing Co., 21027 Crossroads Circle, P.O. Box 1612, Waukesha, WI 53187-1612. No part of this volume may be reprinted without the specific permission of the publisher.

Using the index: Most feature material has been indexed at least three ways – once by title, again under the author's last name, and finally by subject, usually falling under at least one of the MR subject categories.

Italics indicates an author's name (or a photographer, under Trackside Photos).

MR subject categories:

Cartoons	Layout descriptions	Prototype drawings	Technology
Construction articles	Obituaries	Prototype information	Track plans
Cover photos	Operation	Techniques	
MR departments:
