MEMO TO: Hobby Dealers

The following is a representation of the products available from your jobber or direct from the manufacturer for the 1965-66 model railroad season. The list prices shown are subject to change, and as the items listed are only a sampling, I suggest that for more detailed information on products which may interest you that you talk to your jobber salesman or write to the manufacturer.

This Buyers' Guide was compiled as a service, so that you might have a ready reference when looking for a particular type of model railroad merchandise.
